About Me

Hi, I'm Antarin Ghosal, an ethical hacker and cloud practitioner with a strong passion for cybersecurity. As someone who has always been fascinated by the inner workings of technology, I decided to pursue a career in cybersecurity. I have a solid foundation in cloud technologies, which gives me a unique perspective on cybersecurity.

Projects

- Hosted Website using AWS S3 and CloudFront
- Keylogger using Java
- Rubber Ducky Scripts

Certifications

- Google Cloud Platform, SimpliLearn, Obtained on March 2023
- AWS Cloud Practitioner Essentials, Amazon, Obtained on June 2022
- Ethical Hacking, Konnexions KIIT, Obtained on April 2022

Additional Information

- Scored 2000+ points in PicoCTF (PicoGYM)
- Cracked few machines on Platforms like Tryhackme and HacktheBox
- Have experience with rubber ducky like devices
